And whereas the total amount of the debt which this By-law is intended to create is \$111,100, and the total amount to be raised annually, for twenty years, is \$3,359.95, and the value of the whole real property rateable under this By-Law, as ascertained and finally determined as aforesaid, is \$3,031,120;

And the annual special rate per foot frontage for paying interest and creating a yearly sinking fund for the payment of the principal of the debt is as set forth in the schedules hereof;

And whereas the debt hereby created is made on the security of the special rate settled by this By-Law, and on that security only;

Be it therefore enacted by the Mayor and Council, in open meeting assembled, as follows:—

1. That the City Engineer shall make a report on the following:—Stating the real property that will be immediately benefitted by the proposed improvements and the measurement of the frontage abutting on the streets to be improved, and also the proportions in which the assessment is to be made on the various frontages and portions of real estate so benefitted, and also the probable life of the proposed improvements, and an estimate of the probable cost of the proposed improvements and the amount thereof which will be assessed against the property fronting the same.

2. On the adoption of the Council of the report or any amendment therof it shall be the duty of the City Clerk to cause notices, pursuant to section 202 of the "Vancouver City Incorporation Act, 1886," and sub-sections 8, 9 and 11, of the "Vancouver Incorporation Act, 1886, amendment Act, 1891," to be published and given.

3. In the event of no petition or in the event of no petition sufficiently signed being presented against the said improvements within the time limited in that behalf, it shall be the duty of the City Clerk to forward forthwith a certified copy of the report of the City Engineer, as adopted by the Council, to the Court of Revision.

4. There shall be held, as soon as conveniently may be, a sitting of the Court of Revision for the confirmation of the special assessments.

5. It shall be lawful for the Corporation of the City of Vancouver to raise or cause to be raised by way of loan, from any person or persons, body or bodies corporate, upon the credit of debentures hereinafter mentioned, a sum of money not exceeding in the whole \$111,100, and cause the same to be paid into the hands of the Treasurer of the City for the above recited objects.

6. It shall be lawful for the Mayor of the said City to cause ten hundred and eleven or any lesser number of debentures to be issued for the purpose of raising said sum of money, each such debenture to be for at least one hundred (100) dollars, and the said debentures shall be sealed with the seal of the City and be signed by the Mayor and be countersigned by the Treasurer, and bear interest at the rate of five per cent. per annum from their date, payable half-yearly on the 31st day of December and the 30th day of June, at the office of the City Treasurer in the City of Vancouver, and shall have coupons attached to them for the payment of such interest, and shall be payable at the Bank of British Columbia in the City of Vancouver within twenty years from the date of the same.

7. For the purpose of forming a sinking fund for the repayment of said debentures and interest at the aforesaid rate to become due thereon, a special rate shall be annually levied upon the property to be immediately benefitted by the improvements above recited. Such special rate shall be levied and collected in each and every year at the same date as payment of ordinary taxes are paid until said debentures are paid as aforesaid, in addition to all other rates to be raised, levied and collected upon the property described herein.

8. It shall be lawful for any person owning real property upon which such annual special rate as aforesaid is to be levied, to commute for such annual payment of same by paying a principal sum at the date of this By-Law to the Treasurer of the City, or by paying a principal sum at the end of any year thereafter, the amount to be determined as follows:—

9. It shall be lawful for any person owning real property upon which such annual special rate as aforesaid is to be levied, to commute for such annual payment of same by paying a principal sum at the date of this By-Law to the Treasurer of the City or by paying a principal sum at the end of any year.

The present value at five per cent. per annum compound interest of the several payments to be made annually by such applicant, at the time of his application shall be determined, and such present value shall

be the amount of commutation money to be paid by such money, and upon payment of such sum the levying of the special rate upon the real property of such person shall at once cease and determine.

10. The said Corporation reserve the right to purchase from time to time any or all of said debentures at their par value.

11. It shall be lawful for the said Corporation from time to time to repurchase any or all of the said debentures at such price or prices at or below their par value as shall be mutually agreed upon.

This By-Law shall take effect and come into operation on the 14th day of August, A.D. 1892.
